

# Malaysia Abilympics Competition

## 7. Dressmaking – Advanced Course

### 1. Task Assignment

Summer top style women's sailor shirt "NÉREÏDE" size38

## **2. Allocated Time**

6 hours of competition.

## **3. Procedure**

Contestants of Dress Making (Advanced Course) will be welcomed by members of the jury. A briefing about the organisation of the competition and the safety rules will be arranged. Contestants will draw lots to be assigned to a work station.

The jury will perform an inspection of each contestant's personal equipment. For safety and fairness reasons, the jury has the final decision-making power in authorizing or forbidding the use of these tools.

The final task assignment will be provided to contestants, as well as the template and all of the equipment necessary to produce the article of clothing. They will have 6 hours to complete the task.

Contestants will start with the placement of the template's elements on the material then notify the jury for evaluation.

Contestants will have 6 hours to complete the task.

The jury will provide a correction if necessary and contestants will resume their work.

Contestants are not allowed to lend or borrow any equipment for the duration of the competition. Any contestant caught cheating, talking to someone from the public or using a communication device will suffer a penalty of 5 points for the first transgression. A second transgression will lead to an exclusion from the contest.

## **4. Descriptions**

The cut is straight and comfortable.

### **Front:**

- Bust darts
- Opening on the middle front finished by a lined slit and closed by a tie

### **Back:**

- Simple
- Topstitched slits on the sides

**Sleeves :** short

### **Collar:**

- Sailor collar inserted between the neck and the facing
- The braid for embellishment is left to the initiative of each contestant and will be sewn by hand.

## **5. Requirements**

- The sides and shoulder seams and sleeve seams are open and overlocked.
- The armhole seams are double overlocked.

- The slit is ribbed topstitched, as well as the neck under the collar.
- The side slits are topstitched at 0.5 cm in line with the seam of the bottom hem.

**Provided equipment:**

- The template with the seams,
- The materials,
- The collar cut in fabric,
- A braid for the closing tie,
- One length of braid for the embellishment.

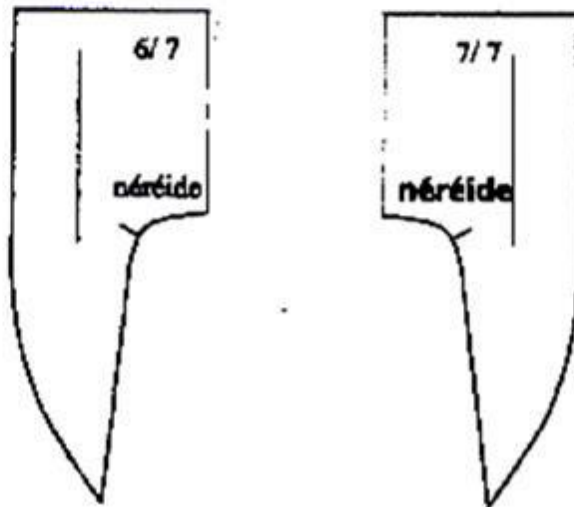

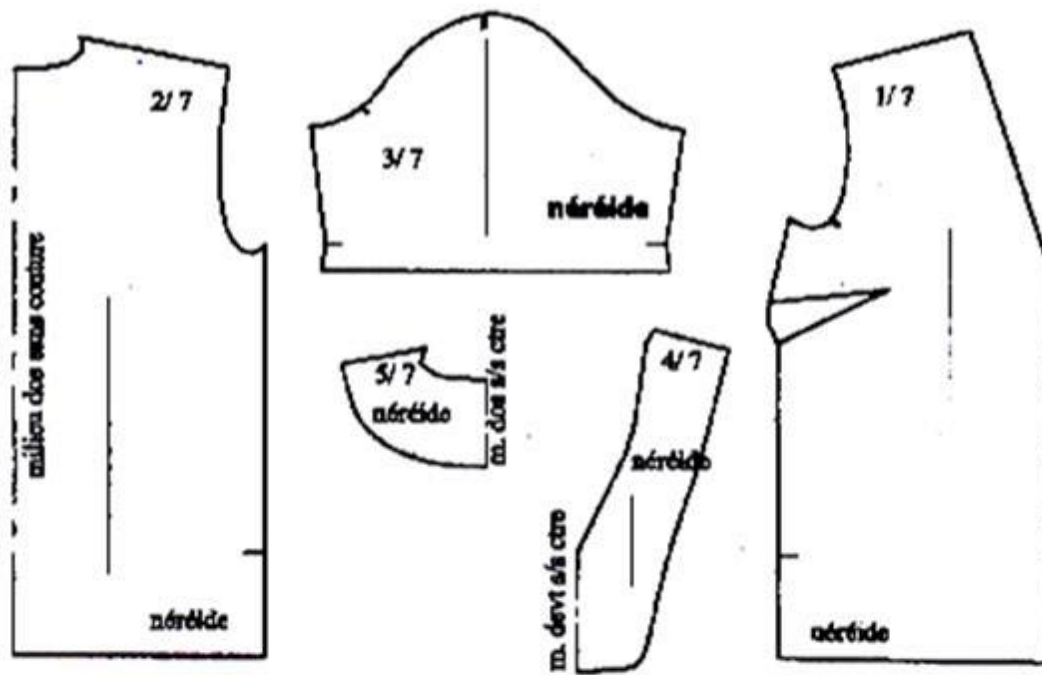

After reading the task assignment, **contestants are asked to:**

- Place and optimize the necessary length on the template,
- Notify the jury for evaluation,
- Cut the article of clothing,
- Produce the article of clothing.

The assembly order is left to the initiative of each contestant, as is the quality setting and length of the stitch.
