EFFECTIVE IMPLEMENTATION

- At National Level -

Needs:

- 1) National Coordination mechanism
- 2) Funding
- 3) Mobilisation of multi-sectoral agencies & nation-wide engagement in implementing the IS
- 4) Dissemination of IS widely to all sectors
- 5) Awareness campaigns
- 6) Research
- 7) Engaging support from UN

National Coordination mechanism

- **National Council for Persons with Disabilities**
 - **Human Rights Commission Malaysia**
 - **Members of Parliament**
 - **State Assemblymen**
 - **Local Authorities**
- **Monitoring body to establish baseline data for indicators & track progress in implementation of IS**

Funding

- **National Five year Development Plan**
- **Annual Budget**
- **Private Sector**

Multi-sectoral & nation-wide engagement

- **Diverse Ministries, depts & govt institutions**
- **Disabled Peoples' Organisations & those serving PWDs & family support groups**
- **Research institutions**
- **Private sector**

Dissemination of IS to all sectors

- ❖ **Make IS available in accessible formats**
- ❖ **Translate IS into national language & the vernacular**
- **to be disseminated widely to all sectors, at all administrative levels & to PWDs**

Awareness campaigns

- **‘Make the Right Real’ campaigns at national & State levels**
- **Outreach campaigns to rural areas**
- **Engage all forms of main stream & alternative media**

RESEARCH

- ❖ Collate all research findings, reports & memoranda on disability situation in the country
- ❖ Coordinate with universities to promote and support research
- Will serve as the basis for policy making

Engaging support from UN

UN Country Teams could be called upon to support the functioning of national coordination mechanisms if required, especially in advocacy, cooperation directed at the implementation of the IS

make the
right real

Thank You !
